Re: United States v. Stephen Lawrence, 07-cr-00597

Dear Judge Castel:

With the consent of the Government, we submit this application to modify a portion of the Court's December 20, 2007 order regarding bail. We had asked the Court to expand the geographical scope of Mr. Lawrence's travel restrictions to include Europe, but had neglected to identify the specific countries within Europe to which Mr. Lawrence wished to travel. The Court's order authorized Mr. Lawrence (on notice to the Government) to travel to the European Union. One of the European countries to which Mr. Lawrence wishes to travel, Switzerland, is not a member of the European Union. We apologize for the lack of precision in our prior request and ask the Court to add Switzerland to the countries to which Mr. Lawrence may travel. Assistant United States Attorney Benjamin Gruenstein has consented to this request.

Respectfully submitted,

Peter G. Neiman
